Internship

Zhongshan Investment Promotion & Development Co., Ltd. 2025.07-2025.08

- Data Analysis and Human Resources Intern
- Independently completed 3 compiling investment promotion policies projects: analyzed key industries (intelligent manufacturing, biomedicine, and modern services) and town-level investment policies across the Greater Bay Area and Zhongshan City—totaling over 100,000 Chinese characters—and consolidated standardized policy packages to provide data support for the investment promotion team.
- Assisted in advancing 5 core investment promotion tasks: participated in project matchmaking, hosted prospective investors, drafted due diligence reports, and designed implementation plans; facilitated engagement with over 15 interested enterprises and advanced 3 projects to the stage of reaching a landing agreement.
- Assisted in the recruitment process: screened over 300 resumes for experienced and entry-level roles, achieving a 15% initial screening pass rate, saving the department 60% in recruitment time, and successfully selecting 25 suitable candidates.
- Managed the company's official WeChat account: handled the end-to-end production—including sourcing, copywriting, and visual design—of 14 content pieces (published bi-weekly). Content covered investment promotion updates, policy analysis, and corporate case studies, achieving over 5,000 total views (with a peak of 800+ views for a single post) and driving a 16% monthly increase in the follower base.

Li-Ning (China) Sports Goods Co., Ltd. 2025.03-2026.08

- Campus Sports Consultant
- Independently coordinated a campus night-running event: managed route planning, material preparation, multi-channel promotion (campus communities, official accounts, and offline touchpoints), and on-site execution; attracted over 260 faculty and student participants and generated more than 3,000 impressions, effectively boosting the brand's visibility on campus.

YU, Ze (Andy)

Tel: +86 18826006333 (Wehcat/Whatsapp) E-mail: zeyu@link.cuhk.edu.cn

Job/Application Focus: Marketing, operations, and functional roles

- Managed the detailed operations of a sports community comprising over 800 members: established Standard Operating Procedures (SOPs) for daily engagement, content creation, and event planning; organized weekly offline events—including city runs, campus runs, and sports salons—resulting in a 15% increase in the average monthly community engagement rate; and planned and executed a total of 15 events, reaching over 2,000 sports enthusiasts.

Guotai Junan Securities Co., Ltd. 2025.02-2025.03

- Client Manager Intern, (Currently Guotai Haitong Securities Co., Ltd.)
- Participated in the operations of securities investment livestreams: handled on-site execution, data monitoring, and user interaction; achieved a peak viewership of over 1,200 per session, increased average watch time by 25%, and drove an increase in inquiry volume for the livestream channel.
- Independently established a standardized customer service response system: developed a script library of nearly 5,000 words covering over 10 scenarios—including customer inquiries, complaint handling, and product introductions—thereby increasing response efficiency by 40% and raising the complaint resolution rate to 95%.

Campus Experience

Communication and Public Relationship Office 2024.09-now

- Publicity Administrative Assistant, News Assistant
- Viral Content Strategy: Served as a student editor and manager for the university's official Xiaohongshu account; planned and launched over 20 campus-specific initiatives and viral content pieces—with top posts exceeding 10,000 views—driving continuous follower growth with a year-over-year increase of over 80%.
- Video Content Production: Served concurrently as a student news assistant and video editing assistant; participated in the post-production editing and promotional distribution of various school promotional videos, ensuring high-quality content delivery and amplifying the school's promotional reach.

Windward Running Club 2025.09-now

- Deputy President (Business and Social Media)
- Business Partnership Development: Spearheaded the running club's brand partnership initiatives; successfully secured collaborations with 2 sports gear and accessory brands and established school-enterprise partnerships, thereby expanding the club's commercial resources and enhancing its operational sustainability.
- Social Media Growth: Managed social media platforms such as WeChat Official Accounts and Xiaohongshu, doubling the follower count and readership; effectively boosted the running club's visibility on campus and attracted over 150 new members.

Personal capabilities

- **Data Analysis Skills:** Possess foundational skills in Python, SQL, and SPSS, and have a grasp of the underlying logic of data-driven decision-making.
- **Language Skills:** Chinese Mandarin/Cantonese (Native/Fluent); English (English-medium academic environment; IELTS 6.5), with proficiency in cross-cultural communication and written English; Spanish (Currently studying; familiar with Spanish and Latin American cultures; beginning to adapt to daily communication); Portuguese (Capable of daily communication; completed an intensive two-week full-time Portuguese course in Brazil; adapted to and gained in-depth insight into life and culture in Brazil and Latin America).
- **Tools & Design:** Proficient in the MS Office suite; skilled in the Adobe Creative Cloud (Photoshop, Premiere Pro) as well as design, layout, and video editing tools such as Xiumi, Canva, Bijian, and Jianying.
- Hands-on experience managing personal social media accounts independently, including Xiaohongshu (@真系多鬼余同学) and a WeChat Official Account (@Andy睇世界). Achieved a cumulative readership exceeding 200,000; created viral content—including a single post with over 100,000 views and another generating over 10,000 interactions (likes, comments, and shares)—demonstrating a keen sense of online trends and a strong ability to strategize viral content.
